

Holocaust Survivor Describes Startling Parallels Between Nazi Germany and Government COVID Policies

Holocaust survivor and human rights activist Vera Sharav, was scheduled to speak on Jan. 23, at the CHD (Children's Health Defense) European protest against vaccine mandates in Brussels. When the rally was abruptly canceled because police threatened protesters, Sharav and other speakers delivered their speeches at a restaurant.

Sharav spoke about the history she lived through and the parallels between the prelude to the Holocaust and what she is witnessing today. Sharav said the Germans used psychological weapons of fear and propaganda to impose a genocidal regime, demonized Jews as spreaders of disease and the cause of their misery, and systematically obliterated moral norms and values in the name of "public health."

"Today's predators are also using fear and propaganda to

maintain a state of anxiety and helplessness. The objective – then and now – is identical – to condition people to become obedient and to follow directives without question,” Sharav said.

Sharav raised serious concerns about COVID injections, which she described as a biological weapon of mass destruction.

“The global assault on our freedoms and our right to self-determination is facilitated by the weaponization of medicine. Then and now, the medical establishment has provided a veneer of legitimacy to mass medical murder.”

Here is a transcript of Vera Sharav’s speech:

I’m Vera Sharav and I’m a Holocaust survivor, but I’m also a human rights advocate for almost all my life.

I would like to bring to the discussion the darkest of dark histories and its relevance to today.

A vital lesson from the Holocaust is that genocide was facilitated by global silence, indifference and the failure to intervene. The Holocaust was set in motion when personal freedom, legal rights and civil rights were swept aside.

The author Primo Levi, an Italian Jewish survivor of Auschwitz, warned very early on: “It happened. Therefore it can happen again. It can happen everywhere.”

As a survivor, I am appalled by poseurs who control the Holocaust narrative. They deny the relevance of the Holocaust to current discrimination and increasingly aggressive and repressive edicts.

These vigilantes censor and silence those who speak out. By denying the relevance of the Holocaust to current repression, the vigilantes are Holocaust deniers.

Elie Wiesel, an Auschwitz survivor and Nobel laureate, who was regarded as the victims' voice stated: "Indifference and the silence of people led to the Holocaust. To remain silent and indifferent is the greatest sin of all."

Today, survivors are shaken by a fear-mongering, and divisive, discriminatory measures against a minority. They recognize the signals very clearly. Horrifying scenes include police in black uniforms brutally attacking demonstrators in European cities, in Australia, and, yes, in Israel.

These painful reminders are the prelude to the Holocaust. The Nazis used psychological weapons, fear and propaganda to impose their genocidal regime. They demonized Jews as the spreaders of disease and the cause of their misery. Moral norms and values were systematically obliterated – all in the name of public health.

Today's predators are also using fear and propaganda to maintain a state of anxiety and helplessness. The objective – then and now – is identical – to condition people to become obedient and to follow directives without question.

The global assault on our freedoms and our right to self-determination is facilitated by the weaponization of medicine. Then and now, the medical establishment has provided a veneer of legitimacy to mass medical murder.

The Nazis declared disabled people – "unfit for life." The first medical murder victims were a thousand German infants and children who were medically murdered in hospitals.

In 2020, global governments declared an emergency and issued deadly medical dictates:

- Hospitals were ordered not to treat the elderly in nursing homes. The result was mass medical murder – which Sweden called "active euthanasia."
- UK hospitals used lethal doses of the drug Midazolam to

medically murder the elderly – a drug they continue to stockpile.

- Current U.S. hospital guidelines restrict the treatment of the elderly to a minimum.
- Doctors in Western Europe and the U.S. are forbidden to prescribe existing, licensed, safe and effective, life-saving treatments for COVID patients.

Today, humanity is threatened by the global heirs of the Nazis. The real virus that continues to infect these predators is Eugenics.

A report by the U.S. Commission on the Holocaust, chaired by Elie Wiesel, noted: "... the inclination to duplicate the Nazi option and once again exterminate millions of people remains a hideous threat."

The modern-day Nazis' objective is global population reduction. The global oligarchs are determined to gain absolute control of the world's resources – natural resources, financial resources and human resources.

Bill Gates, a lifelong eugenicist and major stakeholder in the vaccine industry, declared the COVID vaccine the "final solution."

COVID injections use an experimental, gene transfer technology. It is being tested on the global population is in gross violation of the foremost human right to "voluntary, informed consent."

Those who refuse to be injected are vilified as spreaders of a deadly virus. They are subjected to increasingly harsh penalties and discrimination. Germany, Austria and Italy are once again swept up by an orgy of fascist hate-mongering. This time the unvaccinated are being targeted.

The claimed rationale for vaccine mandates was to protect people from getting and transmitting infection. However, the

incontrovertible evidence shows that COVID injections do not prevent infection or its transmission and they do not provide immunity.

Even the Centers for Disease Control and Prevention's director, Rochelle Walensky, has acknowledged that COVID jabs cannot prevent transmission.

Albert Bourla, Pfizer CEO, conceded that "two doses of the vaccine offers very limited protection – if any."

If vaccinated people can get infected and spread COVID – why are they privileged? Why are the unvaccinated – who refuse to be injected with a clinically worthless product – maligned, discriminated against, threatened with job loss, their children banned from school?

If COVID injections do not protect anyone's health, what is the real objective of vaccine mandates and digital passports?

Many independent scientists are warning that these injections are biological weapons of mass destruction. Tens of thousands of doctors, scientists and nurses refuse the injections – even if it means losing their jobs and their licenses.

Government data from the UK, Israel, the U.S. and the EMA [European Medicines Agency] confirm that massive deaths and injuries have been reported. Close to 38,000 Europeans have died following the shots. And more than 3,390,000 have suffered injuries. Healthy, athletic, young adults have died. Children are suffering from myocarditis and blood clots. Neurodegenerative diseases are also emerging in the vaccinated.

We are at a catastrophic junction in human history. Today's predators have unleashed an injectable biological weapon designed to deliver a poisonous spike protein, and stealth surveillance technology, into the body.

This weapon enables the predators to control the global population remotely 24 hrs a day. We must choose – whether to disobey, and assert our freedom and our rights as human beings – or to be enslaved.

Auschwitz survivor, Mariann Turski, a Polish journalist, was asked if a Holocaust could happen again. He replied: “It could happen. If civil rights are violated – if minority rights are not respected and are abolished.”

He urged everyone to “defend the constitution, defend your rights, defend your democracy. Minority rights must be protected... Thou shalt not be indifferent when any minority faces discrimination.”

Dietrich Bonhoeffer – an exceptional German Protestant minister during the Nazi regime stated: “Silence in the face of evil is itself evil. Not to speak is to speak. Not to act is to act.”

Rabbi Michael Green just posted an urgent plea that it’s “time to atone for the Holocaust by not allowing it to be repeated.” Green admonishes everyone not to obey tyrants’ orders and not to marginalize and persecute minorities. And he tells the Jews: “Don’t repeat the fatal error of blindly heeding your capo betrayers and walking obsequiously like to the slaughter. Wake up NOW.”

Do not be deluded; the unvaccinated are not the enemy. If we are to survive as free human beings in a free democratic society, we must join together and avert a catastrophe. We are speaking out today in Brussels. We thought we would speak to hundreds of thousands, and they all came, but the police disrupted it. We are the threat because we are talking truth to power.

We must not be silent again, never again is NOW.
